2. Pitches can last a maximum of 2 minutes.
3. Videos must show the applicant speaking directly to the camera.
4. Videos must be clear and understandable.
5. Pitch content should cover a clearly defined problem and proposed solution.
6. No visual aids or guides may be used in the pitch.

ELIGIBILITY REQUIREMENTS ELEVATOR PITCH COMPETITION

Individuals must meet all the following requirements to be eligible to participate in the Elevator Pitch Competition.

Pitch Limitations: The Elevator Pitch Competition is meant to provide a space for individuals with ideas for how to solve pressing issues facing the world to present their own unique solutions. All solutions must be original, and pitches must be by the individual submitting the applications. Pitches at GSW will be a maximum of 90 seconds, and the pitch video submissions are permitted to be a maximum of 2 minutes long. The individual should not have incorporated any of the ideas contained within the pitch in a registered business.

Individual Eligibility: All individuals who pitch must be registered and confirmed for the competition, have submitted their application materials and have attended mentorship sessions. No individual may substitute for another. Individuals must pay for their own travel. MIT GSW will not provide travel funding or assistance.

The Global Startup Workshop Showcase selection committee reserves the right to include or exclude any individuals for any reasons.
